

Individual/Boat Grant Application

Thank you for taking the time to apply to the National Rowing Foundation. This document includes questions required for grant consideration. All questions below are required.

Grant Eligibility

The National Rowing Foundation, ("NRF"), supports athletes who are pursuing excellence in the sport of rowing, with the primary goal of promoting United States' gold medals in international rowing competitions leading up to and including the Olympics and Paralympics. Eligible applicants must be boats or individual athletes who are at least one of the following:

1. US National Team Athletes pursuing international competition on a pathway to the Olympics and Paralympics
2. Developmental future US National Team Athletes from historically underrepresented groups.

Financial support from the NRF may be used for competition and athlete training related expenses such as travel, lodging, meals, boat rental, and any other related direct expenses. Grant recipients may be required to submit detailed receipts as part of the grant agreement.

Application Process

If you feel you meet the above Grant Eligibility criteria, we strongly encourage you to contact us at grants@natrowing.org before applying.

The National Rowing Foundation reviews grant applications on a rolling basis. This grant process is competitive. Not all applications will receive funding. Prior to making grant determinations, the NRF may request more information from applicants. The NRF retains the rights to change or modify the grant application at any time.

Instructions
